### And What Have You

By BOB CRAIG

I have always dreaded the thought of painting the trim on my house but after talking with Robert Fowler at Moore's Elevator last week, maybe it is not as bad a chore as I have always thought.

He said that they finally finished painting the elevator and the other buildings at Moore's and it took 2,000 gallons of paint.

Now it really shouldn't be too hard to splash on a gallon or two, should it?

The following is not what I had planned to run this week, but if it affects you the way it did me, you will understand. It is written by James Roberts of Andrews who has that uncanny knack of seeing things most of us miss and then putting it into words that make you feel you were with him at the time.

The two figures moved slowly down the darkened alley, one moving with a slight limp.

As they passed in front of a light streaming from the dirt-encrusted window, you could tell that the two were young. One boy might have been 16, the other perhaps a year or two younger.

As we have done before, we watched the two proceed among the weeds and litter behind the building, move toward an ell in the back wall of the long building, and sink to the ground.

Plastic film bags flickered briefly in the light of a distant street light, other items came from pockets, and the ritual started.

The bag was held with one end tightly closed over the can. . . a moment's pause and the bag was raised to the nose.

Down went the bag, pause, up went the bag to the nose and held for long periods of inhalation. During the next thirty minutes, the process was repeated over and over again.

The bank clock, as it turned and with each revolution briefly illuminated the two seated figures, showed that the time was almost midnight.

One boy heaved to his feet, weaved in the soft, warm night and urged his companion to get up. But ten more minutes passed with the motion of the bag going up and down before an attempt was made by the second youth to stagger to his feet.

In seemingly slow-motion, the two youngsters weaved and stumbled to the alley, wheeled right and made their way to the entrance onto West Broadway.

Two hours later, as we loaded the car for its semi-weekly trip to Lamesa, the episode was repeated. . . with a marked difference.

This time, as the two came down the alley, a third figure was between the pair. Again as they passed the window, the light illuminated the face of a girl, blessed with the innocence of freshness belonging to a 12 or 13-year-old.

We watched again with anger and frustration. Out came the plastic bags, out came the same can, and the familiar motions started anew.

Down went the bag, pause, up came the bag to cover the nostrils. Down, pause, up. . . down, pause, up. . . the sickening motions continued for what seemed like an eternity.

Finally, the threesome arose with difficulty, moved with halting, staggering steps, not always in the same directions, but gradually made their way to the main downtown street.

We went over to the corner, picked up the gear, and carried it to the strong light of the office. The three once-clear polyethylene plastic film bags were heavy with bottoms filled with the leavings of the spray from the gold enamel aerosol can.

The anger and frustration returned as we realized what the continued sniffing of the contents of

# Volleyball Tournament Set Tuesday

The Annual Future Farmers of America Volleyball Tournament will get underway here Tuesday evening at 5 in the public school gymnasium. Volleyball action will continue on the following Thursday, Friday and Saturday evenings.

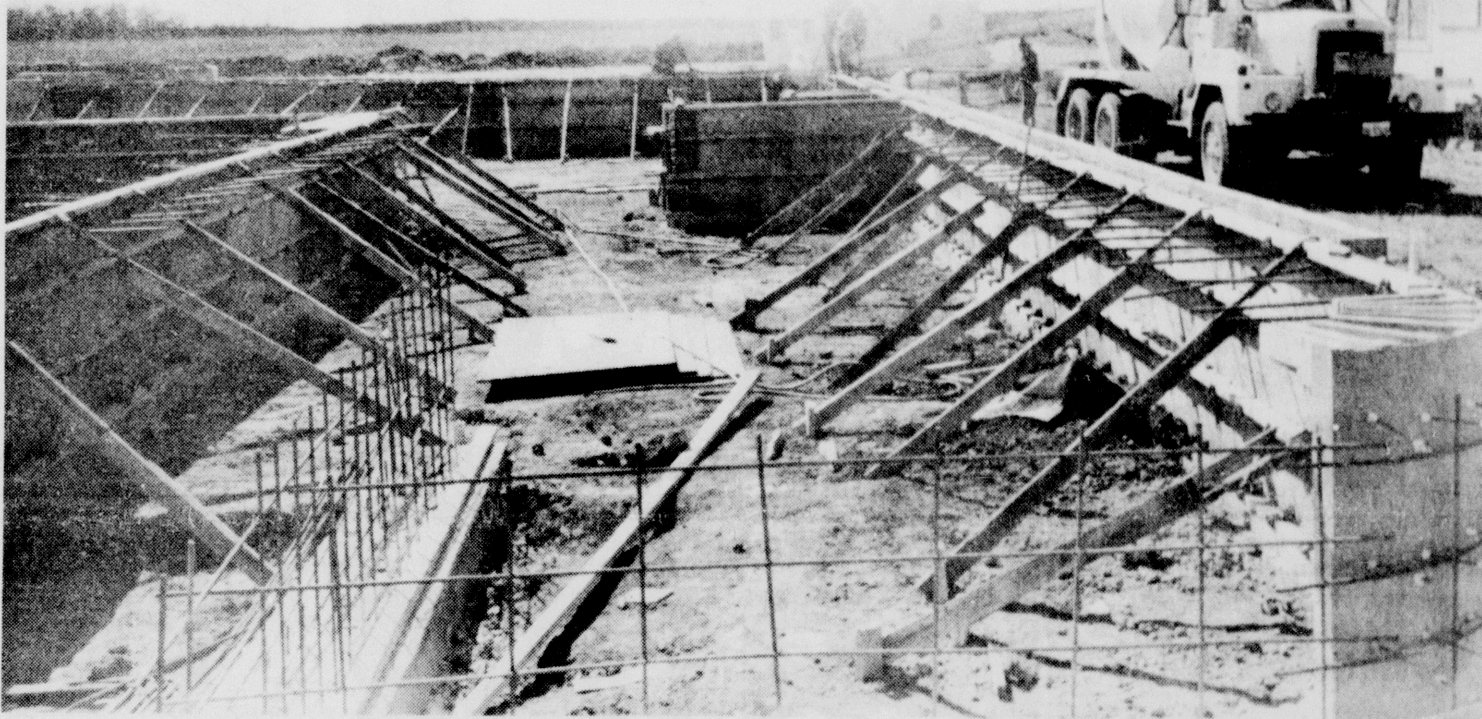

There will be five girls' matches, six boys', four women's and four men's matches scheduled for Tuesday.

The tourney will continue on Thursday, Mar. 25, with the second round of play at 5 p.m. Six boys', six girls', four women's and four men's matches are scheduled.

Mixed competition and boys' elimination matches are scheduled for Friday beginning at 5:30. Fourteen mixed matches and two boys' matches are lined up.

Consolation and championship play will begin Saturday, Mar. 27, at 6 p.m. with ten matches scheduled.

A complete schedule of play will be posted at the gymnasium on Monday, Mar. 22, according to Milburn Wink, tourney director. All teams are scheduled to play Tuesday with the exception of the mixed teams, which will begin play on Friday.

**FOUNDATION WALLS GOING UP—** Workmen are busy working on the foundation for the new school auditorium and band hall. Other workmen are busy roughing in the plumbing on the new middle school building

just north of this site. The work on the construction is being done by Herman Bennett Construction Company of Brownwood. The architects are Riherd and Huckabee of Andrews.

## City Council Discusses Truck and Dog Problems

The problem of parking heavily loaded trucks on residential paved streets within the city was discussed during a public hearing at the regular City Council meeting here Monday. No solution to the problem was reached and another session was set for

the next council meeting in April.

The problem of stray dogs was also discussed by the council and stricter enforcement of the city's dog ordinance was urged following the annual dog vaccination and tag sale

planned by the Future Farmers of America chapter here Thursday, Mar. 25.

The FFA Chapter plans to have a veterinarian here between the hours of 1 and 5 p.m. and will also sell city dog tags during that period. The city dog tags are \$2.50 and are required on all dogs permitted outside of a house or enclosed yard.

Under terms of the city's dog ordinance, all dogs found running loose that do not have dog tags may be picked up and impounded by the city. Dogs unclaimed after three days will be destroyed. Tagged dogs that are deemed to be creating a problem may also be picked up. Under terms of the ordinance, owners of dogs found to be in violation of the ordinance may be fined.

Mayor Joe Ford told a large group of citizens who attended the public hearing that the city had no desire to create a hardship on anyone but at the same time it had the responsibility of

protecting the city residential streets from unusual wear. He pointed out that the city streets were not designed to handle heavily loaded vehicles.

Most of the comments concerning the problem centered around what to do with the trucks if they were not parked around the driver's house when loaded. Most of those present cited the problem of vandalism if their trucks were left unattended.

One solution to the problem suggested was a community parking lot for the trucks that was lighted and could be patrolled by the city police.

Mayor Ford urged the truckers present to come up with a solution to the problem that could be presented at the council meeting. He said that the council would much rather find a solution to the problem than to have to pass an ordinance that might create a hardship for everyone.

## Stamford Electric Coop To Hold Annual Meet

The Thirty-seventh Annual Meeting of the Member-Owners of Stamford Electric Cooperative, Inc., will be held at the Stamford High School Auditorium Saturday beginning at 5:00 p.m., according to Charles W. Stenholm, general manager. All members and friends are cordially invited to attend, he said.

"We believe that attendance at Cooperative Annual Meetings should be a high priority for every member. The rising cost of electric service, particularly the fuel adjustment area, is a very real and serious problem to all Americans. Information, understanding, and action, based on facts, are always important, but today it is vital," said Stenholm.

"We are planning an informative meeting on the issues of today as they affect the electric utility business and Stamford Electric Cooperative. Adequate time will be allotted during the business session to discuss

any and all questions from the floor. We invite the members participation in the decision making process," continued Stenholm.

Three directors will be elected during the business session. Six employees will be recognized for their service to the Cooperative. Members should particularly note program times, with Barbeque Dinner served from 5:00 to 7:00 p.m. and entertainment beginning at 5:30 until 7:00 p.m., when the Business Session begins.

"A complimentary movie ticket will be provided for all children, so bring the kids for a family business and pleasure evening," concluded Stenholm.

## Hamlin Band Wins At Wichita Falls

The Hamlin High School band received Division I ratings in both concert and sight reading at the University Interscholastic League contests in Wichita Falls Monday.

## TO BROWNWOOD SATURDAY—

# Pipers Win Spur Bulldog Relays

## Cemetery Work Day Saturday

An Old Fashioned Memorial Work Day will be held at the Hamlin Cemetery Saturday, starting at 9 a.m., if weather permits.

All interested workers are urged to bring a sack lunch, hoe, rake, clippers, shovel, and wheel barrow and spend the day, according to Mrs. Olivia Griggs, trustee.

The officers of the Association urge anyone who can not work that day to get someone to work for them.

A short memorial service will be held at 11:30 by the Rev. Howard Jones, pastor of the First Baptist Church. He will be assisted by members of the Hamlin Veterans of Foreign Wars.

McCoy Funeral Home will have a tent set up for members of the Women's Auxiliary of the VFW, Beta Sigma Phi, and Xi Gamma Pi to serve cold drinks.

## Dinner Saturday

Mission No. 2 of Oak Grove Baptist Church will sponsor a dinner Saturday in fellowship hall with serving time beginning at 5:30 p.m.

The menu will consist of fried chicken, buttered potatoes, green beans, tossed salad, hot rolls, assorted pies, tea or coffee.

Price per plate will be \$2.25.

Hamlin captured four first places to win the Bulldog Relays at Spur Saturday with a total of 144½ points. Taking second place was Slaton with 127 points. Others in the Class 2A division were Denver City with 78½, Tahoka with 63, Lubbock Cooper with 56, and Stamford with 30.

The Pipers will be competing in Brownwood Saturday.

## Assembly of God To Open Revival

Evangelist L. D. Mann will return to Hamlin for a series of meetings at the First Assembly of God Church beginning Sunday evening, according to the pastor, the Rev. Billy Weaver.

"Come and hear the word of God explained, see the lame walk, the blind see, the bound set free. God's Spirit is moving now in our world as never before and Bro. Mann is allowing himself to be used of God in the gifts of the Spirit," Rev. Weaver said. Herb Marlow, a member of the revival team, will be teaching in a seminar every morning at 10 o'clock on "Family Position in God." He has taught in Oregon, Washington, Louisiana and Texas.

Hamlin won first in the 440-yard relay, the 440-yard dash, the long jump and the pole vault.

The team of Alan Steele, Mac Lee, Robert Phariss and Delbert Thompson ran a 45.2 for first place honors in the 440-yard relay. Thompson ran a 53.1 for first in the 440, Charles Brown jumped 21'1" for a new meet record in the long jump and Phariss vaulted 12'.

Hamlin results:

440-yard relay: (1) Steele, Lee, Phariss, Thompson, 45.2.

120-yard hurdles: (2) Brown 15.7; (3) Paul Reynolds 15.9; (4) Tommy Maberry 15.9.

100-yard dash: (2) Lee 10.7; (5) Stanley Jones 11.0; (6) Drew Tomlinson 11.1.

440-yard dash: (1) Thompson 53.1.

330-yard hurdles: (4) Brown 44.2.

220-yard dash: (4) Gerald Rodgers 25.0; (5) Jones 25.1.

1 mile: (3) Dean Hernandez 5:16.6.

Long jump: (1) Brown 21'1" (new record); (2) Jones 20'3½"; (5) Phariss 19'6½".

5'9"; (4) Brown 5'7"; (6) tie Ronald Brown 5'5".

Pole vault: (1) Phariss 12'; (3) Rodgers 11'6".

**POSTER WINNERS—**Susie Waldrop, left, and Deana Pritchard show off their posters that took second place in the annual California Creek Soil and Water Conservation District Poster Contest. Susie, daughter of Mr. and Mrs. Johnny Waldrop, took second place in the second grade division and Deana, daughter of Mr. and Mrs. Coye Pritchard, won second in the sixth grade division. The students, their parents and their teachers were honored at a banquet in Stamford Monday evening. (Stamford American photo)

The couple will live in McComb, Miss., where he is attending Southwest Mississippi Junior College.

## Good Nutrition Habits Can Start Early In Life

COLLEGE STATION — Children can learn good nutrition habits early with some of their favorite foods, Mrs. Mary Sweeten, a foods and nutrition specialist, says.

"That old standby peanut butter can be turned into a balanced meal—a peanut butter sandwich with whole milk and an orange provides a nutritionally balanced meal that children like," she said.

Mrs. Sweeten is with the Texas Agricultural Extension Service, The Texas A&M University System.

"One essential for good nutrition is protein, and meat isn't the only protein source. Peanuts, peas and beans, grains and nuts are all nutritionally important sources of protein.

"After protein foods are eaten and digested, amino acids are freed and used to

build, repair and maintain body tissues. Of the 20 known amino acids, our bodies cannot make eight—known as the 'essential amino acids'—so these must be provided by food," the specialist said.

Proteins such as fish, poultry and meat contain enough of all the essential amino acids, but in other foods such as peanuts, dried beans or wheat, the amount of one or more of the essential amino acids is low, she said.

"But all the essential nutrients can be provided by combining plant protein foods. For example, peanut butter is incomplete by itself—but the protein from the wheat in the bread complements it," she said.

Weekend events should be reported to the Herald by noon Monday.

## the gospel truth

by Bro. Marshall Townsley

"Verily I say unto you, If ye have faith, and doubt not, ye shall not only do this which is done to the fig tree, but also if ye shall say unto this mountain, Be thou removed, and be thou cast into the sea; it shall be done. And all things, whatsoever ye shall ask in prayer, believing, ye shall receive." Matt. 21:21, 22

God's people, his Church, are called to walk by faith and not by sight. In Romans 1:17 and Galatians 3:11 the Word states the just shall live by faith. I want you to realize that God has called us to be believers; not doubters. He said, "If thou canst believe, ALL things are possible to him that believeth." Mark 9:23 The Lord Jesus did not say only some things would be possible, but ALL. There are those of you who name the name of Christ, that spend the majority of your time witnessing to what God can't do or isn't doing any longer. Don't be deceived! The Word says that God is no respecter of persons, nor has he ever changed. The reason you aren't enjoying the benefit of your salvation in Christ Jesus is you've limited yourself by the carnal mind. Romans 8:7 teaches that the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be. The miracles of God only happen to believers.

In the gospel of Mark chapter 16, Jesus gave us what we call the great commission. He said, "Go ye into all the world; and preach the gospel to every creature.

He that BELIEVETH and is baptized shall be saved; but he that believeth not shall be damned. And these signs shall follow them that BELIEVE: In my name shall they cast out devils; they shall speak with new tongues; They shall take up serpents; and if they drink any deadly thing it shall not hurt them; they shall lay hands on the sick, and they shall recover." God's people are power people. In a recent prophecy the Lord called those who believe to be the conquerors not the conquered ones; to be the overcomers not the overcome ones. "Ye are the salt of the earth; But if the salt have lost his savor, wherewith shall it be salted? it is thenceforth good for nothing, but to be cast out, and to be trodden underfoot of men." "For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall BELIEVE that those things which he saith shall come to pass; he shall have whatsoever he saith. Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them." Matt. 5:13, Mark 11:23, 24 Blessed be God! I am a believer and a member of His victorious and glorious Church.

FROM THE FILES . . .

FIFTY YEARS AGO  
(March 12, 1926)

It is quite unusual that a town the size of Hamlin gets as many as three new managers for stores as did Hamlin, all in one week. That that is the report of this week. And it would not be out of place to say that there are four, if we count Mr. Erwin at Jones Dry Goods Co. a new one and he is real new, although he has been here nearly a month.

Last week Hamlin gained a new family when Mr. and Mrs. Billie Bryant began their residence here. Mr. Bryant is to be the "power" in the new store of a Bryant-Link Co. which will open in a few weeks. Mr. Bryant has the Prowell home on Central Avenue.

The Jones County Bankers' Association met in Hamlin Tuesday night. The first thing that attracted their attention was a banquet at the Morgan Hotel where they enjoyed the usual good dinner.

Following the banquet a business meeting was held in the offices of the Farmers & Merchants National Bank. Mr. Tate May, Cashier of the F & M Bank is Secretary of this Association and he made them welcome in his building.

About three fifteen o'clock last Sunday morning the fire alarm was sounded and the Department responded to find that the C. N. Moore residence at the Orient crossing on the Stamford road was full ablaze and nearly consumed. Everything almost, they had was burned. Their Ford car was standing by the side of the house and it was lost also. The origin of the fire has not been determined.

Saturday the intimate friends of the family secured considerable help for them. It is said, however, that two of Mrs. Moore's brothers were there and they lost all they had.

TWENTY YEARS AGO  
(March 15, 1956)

Workmen began Monday morning remodeling the interior of the old bank building at the corner of Southeast Fourth Street and Central Avenue, which will house offices of the City of Hamlin.

A completely renovated and rearranged front office will provide bill paying and other facilities for patrons of the office. Bookkeeping facilities will be housed inside a run-around near the entrance and the vaults of the former bank will be utilized for record storage.

Former consultation room at the rear of the building will be converted into a court room and jail cells for prisoners, with police offices being housed in a separate room with private entrance.

Supervising the work is John L. Lea, city engineer and coordinator, who says the repair work should be completed within 45 to 60 days.

The Hamlin Herald has joined with the other 500 members of the Texas Press Association in a appeal to the people of Texas to contribute \$1,000,000 with which to build a great memorial to the signers of the Texas declaration of independence. The monument will be in the form of a museum of Texas history and will be located at Old Washington-on-the-Brazos, where the declarations was signed. This is a state park located in Washington County 20 miles northeast of Brenham.

Hamlin High School's one-act play "The Sheriff" has been declared winner of the district. The next event for the play will be the regional meet at Brownwood.

The play, under the direction of Doyle B. Smith, will be presented in several area high schools prior to the regional meet.

In the all-star district cast are Dee Prewitt, Joe Stephens, Judy Harden, John Walker and Billy Lafler.

Hamlin property owners will be elated to learn that a 20 per cent good fire record credit for insured property has been extended for the coming year. This announcement was issued by the Texas Fire Insurance Commission this week following a study of last year's insured fire losses.

Owners and insurance agents in Hamlin had been fearful that because of three major fires last year in Hamlin, resulting in losses of more than \$350,000 for the year, fire insurance rates would be increased for the coming fiscal year.

Hamlin had enjoyed a 20 per cent good fire record credit the past year, which was the greatest in the history of the city.

TEN YEARS AGO  
(March 17, 1966)

Some changes need to be made in the operation of the Jones County jail. That was the observation of the grand jury which toured the jail when they met in a one-day session the last of February.

The jail has been the scene of two escapes recently—one on Dec. 5 and another Feb. 8. One escapee remains at large.

First, the grand jurors recommend that the jailer be instructed to be more cautious in handling of the trusties.

Second, that the jailer supervise the janior work being done in the jail.

Third, that the trusties be locked in cells at night. And finally,

That a full-time cook be hired for the jail, but that the trusties do the cleanup work.

A committee of 17 local citizens was named by the Hamlin School Board at their meeting Monday night to study the building needs of the school system and make recommendations back to the board.

Leldon Clifton was named chairman of the group and the other members will be announced after they have agreed to serve on the committee.

The committee will be given the needs of the system in the way of additional space and equipment needed and will be given the different proposals that have been studied by the board, along with the expected costs.

A pay drop has been installed at the City Hall to allow a more convenient way to pay water bills.

The receptacle on the south wall dispenses envelopes for the payment and also has information on the outside to be filled in. The statement should also be enclosed with the payment.

Five members of the Hamlin FFA Chapter participated in the Livestock Judging Contest Saturday at the San Angelo Fat Stock Show. They were Randy George, Rich Shamblin, Gil Lain, Jackie Buske and Bob Clifton.

the spray paint could do to young minds. . . and society can only wait until the brains of the trio are cooked sufficiently to have them committed eternally to mental institutions.

Our feelings of frustrations were not directed against the young people but against a society so hamstrung through stupid actions of the Warren court, administrative rulings, well-meaning judges and lawyers, juvenile authorities, state laws, civil rights actions, and welfare workers that make a juvenile in Andrews or Austin or Amarillo an untouchable.

Do you know what action could have been taken against the three juveniles on that particular week-day night? The police could have been called, they could have delivered a stern lecture, and the parents could have been called. That's it!

And just what good do you think it would do to call the parents of a 14 or 15 year old boy who could care less where he is at 2:30 in the morning? And how could the parents of a 12 or 13-year-old girl that's roaming the streets at that hour of the night care less where she is or what she's doing?

And politicians running for re-election are wondering why they're finding American citizens so outraged, so frustrated, and so bitter about the state of the nation! God save us all!

"Let us hold fast the profession of our faith without wavering; (for he is faithful that promised.)"

Have faith in God. He will lead us in the right paths. He will never fail.

As the highways are clearly marked and numbered so that we might easily find our way from city to city and across the nation, God's word clearly marks life's paths.

Attend church regularly and exercise your faith in God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## STATE CAPITAL Highlights AND Sidelights

by Lyndell Williams  
TEXAS PRESS ASSOCIATION

AUSTIN — Political campaigns are beginning to warm as the May 1 primaries approach.

Both Democratic and Republican executive committees last week certified names of candidates (including the presidential preference primary delegate contenders) for the ballot.

Republicans also decided to submit referendum issues on forced busing, denial of bail to repeat felons, non-parolable prison sentences for crimes of violence, use of oral confessions in trials and wiretapping to fight organized crime.

Texas lawyers, meanwhile, announced results of their poll on statewide judgeship races. Those responding to a State Bar poll favored San Antonio Court of Civil Appeals Court Chief Justice Charles W. Barrow for the State Supreme Court over Donald B. Yarbrough of Houston.

The lawyers also strongly preferred incumbent Court of Criminal Appeals Judge Truman Roberts for reelection over Dallas District Judge Jerome Chamberlain.

Texas AFL-CIO Committee on Political Education (COPE) delegates took a look at the candidates and decided to endorse U.S. Sen. Lloyd Bentsen for reelection, State Rep. Lane Denton of Waco for Railroad Commission, Barrow, Roberts and congressional candidates Welby Parish of Gilmer, George McAlmon of El Paso and Bob Gam-mage of Houston.

### Loopholes

A loophole in the sales and use tax law is costing Texas cities \$16 million a year, the comptroller's office told a House subcommittee.

The loss is due to "direct pay" permits available to about 200 businesses which purchase \$200,000 or more worth of items for their own purposes annually and pay taxes directly to the state.

Rep. Joe Allen of Baytown said he also believes the state is losing between \$15 million and \$200 million a year in taxes on cigarettes coming across the Mexico-Texas border through mail order sales.

The study of how to close tax loopholes is continuing, and ties in with orders of the governor, lieutenant governor and House speaker to hold down spending and avoid new taxes.

### Anti-Crime Targets

A House task force studying crime mapped its key targets in its first meeting here.

Priorities include mandatory prison sentences for crimes involving firearms, denial of bail for repeat of-

fenders, establishing the state's right to appeal in criminal cases, use of oral confessions and authority for use of wiretaps under restrictions.

The panel will meet again in San Antonio March 26.

### Courts Speak

The Supreme Court took under advisement whether the open records act authorizes courts to prevent government data use for possible illegal purposes.

The high court rejected the plea of a Webb County man to get on the May 1 ballot as a candidate for county attorney. It also turned down two judges trying to get on the El Paso County ballot.

Complaints against the state savings and loan commissioner in Jacksonville and Nacogdoches applications will be reviewed by the Supreme Court.

### AG Opinions

A doctoral student is entitled to see his qualifying examination and evaluations, Atty. Gen. John Hill said in a new open records decision.

In other recent opinions, Hill concluded:

The dental laboratory advisory board can call meetings on its own initiative, but the Board of Dental Examiners is not obligated to follow its recommendations.

Deputy game warden commissions issued after September 1 are invalid.

### Appointments

Charles D. Morris was named to succeed Robert L. Hardesty as press secretary to Gov. Dolph Briscoe.

Briscoe appointed Sherill Burba, mayor of Olney, to the Midwestern State University board of regents. He reappointed Frank J. Douthitt of Henrietta and W.M. Thacker Jr. of Wichita Falls.

T.C. Selman of Freeport was appointed to the Veterans Affairs Commission and John E. McKelvey of El Paso reappointed.

### Short Snorts

Texas is leading a national economic upturn, according to the University of Texas Bureau of Business Research.

Spotted moisture in the Panhandle was too late for most of the dryland wheat, Agriculture Commissioner John C. White said.

Transit leaders will meet here March 23-24 for the fourth annual Texas Transit Conference.

Texas Highways and Transportation Commission approved a city-county railroad grade crossing program to reduce hazards at crossings in Cleburne, Tyler, Palestine, Channelview, Houston and Granger.

## Bill Cork Named Outstanding At Wildcat Relays

Former Hamlin track star Bill Cork was named the outstanding performer in the college division at the Abilene Christian University Wildcat Relays Saturday in Abilene.

Competing for ACU, Cork picked up 31 points as he anchored both the 440 and the mile relays to new meet record times, set a new meet record in both the 220 and the 440 and placed third in the high jump.

ACU ran a 41.1 in the 440 relay and a 3:13.1 in the mile relay. In spite of the cold weather, Cork took an easy 47.3 in the open quarter and ran a 21.2 in the 220. He was third in the high jump with 6'4".

Alfred McAfee, another former Hamlin track star, ran a 50.4 open quarter for fourth place in the junior college division and ran the third leg on Ranger's winning mile relay with a time of 3:19.5.

## Retired Teachers Hold Luncheon Here Saturday

The Jones County Retired Teacher's Association met for a luncheon meeting at the Road Runner cafe Saturday.

Mrs. M. L. Galbreath of Anson, president, presided during the business meeting and recognized a new member, Mrs. Albert Fleming.

The Bicentennial theme was used in decorations and the program — a panel on "What Happened to the Signers of the Declaration of Independence?" — was given by Mmes. Earl Brown, H. W. Williams, Roy Henington and B. H. Gardner.

It was stressed in the program that the men who signed the Declaration signed knowing the penalty would be death if they were captured. Yet, they signed away their lives, their fortunes and their sacred honor.

More than 270,000 cancer patients are helped each year by local Units of the American Cancer Society. The assistance includes gifts, loans, transportation services, rehabilitation work, information and referral services.

## Anson Services Held Sunday for Mrs. Kilpatrick

Services were held at 4:30 p.m. Sunday at Lawrence Funeral Home Chapel for Mrs. Annette Kilpatrick, 37, of Abilene. She died at 2:30 p.m. Friday at Hendrick Memorial Hospital after a lengthy illness.

Born Jenevra Annette Cory Oct. 27, 1938, in the Pleasant Hill Community, she moved at an early age with her family to the Boyd Chapel Community. She was reared there and married William Kilpatrick June 7, 1957, in Abilene.

She was an employee of Timex Corp. for several years and was a member of the Church of Christ.

Services were conducted by Don Pearson, minister of Baker Heights Church of Christ in Abilene. Burial was in Neinda Cemetery.

Survivors include two sons, Tim and Kelly, both of the home; a daughter, Donna Kilpatrick of the home; her parents, Mr. and Mrs. Leslie Cory of Hamlin; and a brother, Douglas Cory of Hawley.

## Stamford Junior Sheriff's Posse To Meet Monday

The Stamford Junior Sheriff's Posse is holding their annual membership meeting Monday, Mar. 22, at 8 p.m. at the Lions Club Building, east side of square, Stamford.

Everyone interested in their children participating in play nights or parades is invited to attend.

Howard Hopkins, secretary of the adult board of advisors for the junior organization, made the announcement.

Election of Junior officers and officers of the adult board of advisors will be held at this meeting, he added.

There are many unknowns in dealing with cancer, but doctors know that cigarette smoking causes about 80 percent of lung cancer in the United States, the American Cancer Society says. The risk increases with the amount and length of time smoked, and decreases gradually after a smoker breaks the habit, unless cancer has already set in.

## 'Old Fashioned' Medicine Caps Still Available

"Old fashioned" medicine caps are still available for people who have difficulty opening the new child-proof caps, Mrs. Vivian Blair of College Station, a family life education specialist, says.

"Safety caps are valuable—but arthritic hands and poor eyesight are two conditions which contribute to difficulty in opening them," she noted.

Mrs. Blair specialist in aging, is with the Texas Agricultural Extension Service, The Texas A&M University System.

She explained that exceptions can be made under the Poison Prevention Packaging Act.

"If you or your physician direct that a prescription be filled in a package fitted with a conventional closure, the prescription may be packaged that way.

"But prescriptions may be filled this way only when directed by a physician or when requested by the purchaser," she added.

## Tuesday Services Held for Brother

Torivio Tamez, 66, an Anson farmer and brother of Jimmy Tamez Jr. of Hamlin, died at 8 p.m. Saturday at Anson General Hospital.

Services were held at 11 a.m. Tuesday at St. Michael's Catholic Church in Stamford. Burial was in Mt. Hope Cemetery in Anson.

Survivors include his wife, Concepcion; a daughter; one brother and three sisters.

A loving heart is the truest wisdom.

## FROM THE EDITOR—

## Postal Regulations Sighted On Lotteries

From time to time we are approached by clubs, civic groups, and other organizations who are attempting to raise funds for a specific project by raffling off some item of merchandise, and who ask us to publicize their efforts along this line.

Most people are unaware that Postal Regulations forbid the mailing of any material regarding what the

postal service considers to be a lottery. The postal service defines a lottery as "any scheme or promotion, whether or not lawful under the laws of the state, which upon payment of consideration, offers a prize dependent in whole or in part upon lot or chance."

In other words, any time a drawing is held, if a purchase is necessary, it is considered to be a lottery.

Material concerning lotteries may not lawfully be mailed in letters, post cards, circulars, newspapers, pamphlets, or publications of any kind. Neither may lottery tickets, or payments be lawfully mailed.

For this reason we are forced to decline publication of raffles or lotteries even though they are being held for a good cause.

Drawings in which no purchase is necessary are not considered to be lotteries.

## Brother Dies In Anson Friday

Services for Virgil Lee Wright, 47, of Anson, brother of Jack Wright of Hamlin, were held at 10 a.m. Monday at Lawrence Funeral Home Chapel in Anson.

Mr. Wright, a former produce manager for K-Mart groceries retired in 1968 because of ill health. He moved back to Anson in 1975. He died at 11:45 a.m. Friday at his home after an apparent heart attack.

Survivors include two sons; three daughters; his mother, Mrs. J. E. Wright of Anson; four brothers, one sister; and five grandchildren.

## Singing Sunday

The Third Sunday Singing at Calvary Baptist Church will begin at 2 p.m. Sunday. Singers from several area towns will be present.

Some prospects are misers; they let the rest of the world go by.

## Sister Dies In Anson Saturday

Annie E. Huber, 80, of Anson, sister of Alice Mayfield of Hamlin, died at 3:05 p.m. Saturday at Anson Leisure Lodge after a short illness. Services were held at 2 p.m. Monday at First Baptist Church in Anson. Burial was in Mt. Hope Cemetery.

Born Annie E. Goza Sept. 27, 1895, in Madison County, she moved to Jones County as a young child with her parents. She married Roy Huber July 5, 1914, in Noodle.

Survivors include her husband; three daughters, five sons, two brothers, three sisters; 32 grandchildren and 22 great-grandchildren.

Cleaning as you go is the real answer to housekeeping problems. The minute something is spilled on the floor, wipe it up. When mud is tracked in, attack it before it's all over the house. Mrs. Lillian Chenoweth, family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System, advises.

# "These are the sorghums I'd plant if I farmed in this area."

Jim Higdon  
AGRONOMY SERVICE DIRECTOR

"Drouth, disease, insects, wind storms . . . taking everything into account that can plague a crop in this area, these are the sorghums I'd go with."

It's my job to know which are the best varieties for each locale in the states of Oklahoma, Texas and New Mexico. For the last five years I've had Crop Information Centers, Standard Comparison Tests and Uniform Strip Tests in this immediate area. In these carefully controlled tests, I've evaluated most of the sorghum varieties a farmer might consider planting. I've had the same headaches and frustrations you've had. My plantings have suffered the same weather conditions, epidemics and infestations yours have.

Based on these tests, there is no doubt in my mind what I'd plant in 1976 if I farmed hereabouts.

## 8501

An outstanding new yellow endosperm hybrid with about the same maturity as 846. This hybrid has a superior yield record. The plant has excellent roots and stalks. Heads exert well above the flag leaf and are uniform in height. Pioneer brand 8501 has good tolerance to smut, MDMV, downy mildew and greenbugs. It performs well under stress and has semi-open heads that add to its good appearance.

### A WORD ABOUT GREENBUGS

Tolerance to both greenbugs and maize dwarf mosaic plus high yield potential give 8501 an economically significant advantage that you'll want to consider for your grain sorghum crop in 1976.

## 846

"Old faithful" is the best name for this Pioneer variety. It has been producing profitable sorghum yields for farmers in this area for many, many years. Though medium maturity, it produces with full-season varieties in good years and still does well under stress. It resists drouth, smut, rust, MDMV and tolerates secondary downy mildew infestation. It makes a good planting partner.

Performance of seeds or the crop produced therefrom may be adversely affected by factors beyond our control including environmental conditions, insects and diseases. The limitation of warranty and remedy attached to each bag of Pioneer brand seed is a part of the terms and conditions of the sale thereof.

Will Rogers Says . . .

"It's a joke to see a homer in some of these ballparks. It ruins the whole interest in the game. It does look like that as big a game as baseball is, and as much money as they make, they would be able to have a regulation playing field, the same size all over.

"You don't see them cutting off the end of a tennis court to put in more stands, so why can't baseball have a regulation size field? Then, if a man got a home run, he would know he deserved it, and everybody would have an equal chance on every field." October 12, 1924.

## ELECTION ORDER AND NOTICE THE STATE OF TEXAS COUNTY OF JONES

On this the 12 day of January, 1976, the Board of Trustees of the Hamlin Independent School District convened in Regular session, open to the public, with the following members present, to-wit: W. T. Johnson, President; Raymond Scifres, Lewis E. Madden, Jackie Williams, James Rodgers, Cecil Sellers, and the following absent: Clyde Lewis, constituting a quorum and among other proceedings had by said Board of Trustees was the following:

WHEREAS, the term of office of Clyde R. Lewis and

Lewis E. Madden members of the Board of Trustees of this School District will expire on the first Saturday in April, 1976, said first Saturday being April 3, 1976, and on said date a trustee election will be held in said School District.

WHEREAS, it is necessary for this Board to pass an order establishing the procedure for filing for and conducting said trustee election;

THEREFORE, BE IT ORDERED BY THE BOARD OF TRUSTEES OF THE HAMLIN INDEPENDENT SCHOOL DISTRICT:

1. That an election be held in said School District on April 3, 1976, for the purpose of electing to the Board of Trustees of said School District Two Trustees.

2. That all requests by candidates to have their names placed upon the ballot for the above mentioned election shall be in writing and signed by the candidate and filed with the secretary of the Board of Trustees at the superintendent's office not later than 30 days prior to the date of said election.

All candidates shall file with said application the loyalty affidavit required by Art. 6.02 of the Election Code.

The Secretary of this Board of Trustees shall post on the bulletin board in the building where the Board of Trustees meets the names of all candidates that have filed their applications in accordance with the terms and provisions of this Order, and said Secretary shall otherwise comply with the terms and provisions of Art. 13.32 of the Election Code.

3. That said election shall be held at the following places, and the following named persons are hereby appointed officers for said election:

(a) In election precincts numbered 1 at Hamlin High School Building, in Hamlin, Texas, in said School District, with Mrs. Joyce Scott as Presiding Judge and Melvin Scott and Mrs. Louise Pena, Clerks.

The polls at the above designated polling places shall on election day be open from 8:00 o'clock a.m. to 7:00 o'clock p.m.

4. Mrs. Jane Murphree is hereby appointed Clerk for absentee voting. The absentee voting for the above designated election shall be held at Hamlin School Administration Building, 245 S. W. 2nd. St., Hamlin, Texas within the boundaries of the above named School District and said place of absentee voting shall remain open for at least eight hours on each day for absentee voting which is not a Saturday, a Sunday, or an official State holiday, beginning on the 20th day and continuing through the 4th day preceding the date of said election. Said place of voting shall remain open between the hours of 8:00 A.M. and 4:30 P.M. on each day for said absentee voting. The above described place for absentee voting is also the absentee Clerk's mailing address to which ballot applications and ballots voted by mail shall be sent.

5. Absentee voting, both by personal appearance and by mail, shall be by paper ballots and shall be canvassed by a special canvassing board, and Mrs. Joyce Scott, as Presiding Judge, Melvin Scott and Mrs. Louise Penna, as Clerks, are hereby appointed the Special Canvassing Board for said election.

6. The manner of holding said election shall be governed, as nearly as may be, by the Election Code of this state, and this Board of Trustees will furnish all necessary ballots and other election supplies requisite to said election.

7. Immediately after the votes have been counted, the officers holding said election shall make and deliver the returns of said election and perform all other duties as provided by the Election Code.

8. The Board of Trustees shall give notice of said election, and this combined Election Order and Notice shall serve as Notice for said election. The President of the Board of Trustees is hereby authorized and instructed to post or cause to have posted said combined Election Order and Notice at three public places where notices

## Neinda Philosopher Casts A Wary Glance At Postal Service Scheme to Sell Stamps

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One takes a sidelong look at the latest proposal of the U. S. Postal Service.

Dear editor:

According to a news article I read the other night, the Postal Service, alarmed over the drop in first class mail, is considering an advertising campaign to get people to write more letters, because those 13-cent stamps are where the money is in the mail business.

So, the Postal Service is considering spending about \$15,000,000 a year on a national advertising campaign, trying to get people to write more letters.

So I got to thinking, what would be some good slogans the Postal Service could use in its ads?

Here's one: "Sure, it costs a little more to mail a letter these days, but it gets there quicker."

Maybe we'd better hold up on that one for awhile.

How about: "Write, but be careful about whom you write to. Remember, your Congressman can answer without a stamp."

Or: "Stop. Don't pick up your phone, pick up your pencil. Nobody can bug a letter. Steam it open, maybe,

are customarily posted in this school district, and said posting shall be made at least 20 days before the date of said election.

The President shall also cause a copy of this combined Election Order and Notice to be published one time in a newspaper of general circulation in the county where this school district is located. Said publication shall be not more than 30 days nor less than 10 days before the date of said election.

It is further found and determined that in accordance with an order of the Board of Trustees, the Secretary posted written notice of the date, place, and subject of this meeting on the bulletin board located in the central administrative office of this school district, a place convenient and readily accessible to the general public, and said notice, having been so posted, remained posted for at least 72 hours preceding the scheduled time of said meeting.

It is further found and determined that in accordance with an order of the Board of Trustees, the Secretary furnished a notice of the date, place and subject of this meeting to the county clerk of Jones County, Texas, the county in which most, if not all, of this school district's pupils reside.

The above order being read, it was moved and seconded that the same do pass. Thereupon, the question being called for, the following members of the Board voted AYE: W. T. Johnson, Raymond Scifres, Lewis E. Madden, Jackie Williams, James Rodgers, Cecil Sellers; and the following voted NO:

ATTEST:  
W. T. Johnson,  
President, Board of Trustees  
Lewis E. Madden  
Secretary, Board of Trustees

## POLITICAL CALENDAR

The following have announced for the 1976 Democratic Primaries:

For Jones County tax assessor-collector:  
ROY L. LANE  
(Re-election)

For Jones County Sheriff:  
WOODROW (WOODY) SIMMONS  
(Re-election)

BURL WALKER  
For Jones County Commissioner, Pct. 1:  
W. L. (BILL) MOORE  
(Re-election)

For State Representative, 61st District, State of Texas:  
ELMER MARTIN

For Fisher County tax assessor-collector:  
BILLY J. (BILL) SMITH

but not bug it." I'm not getting very far. Let's consider another angle. Take that proposed 15-million-dollar advertising campaign. Just to get its gross outlay back, the Postal Service would have to sell an extra 115,384,615 stamps.

Assume it makes a profit of say three cents on each 13-cent letter mailed. It would have to sell 500,000,000 stamps just to break even. To make a real profit it'd have to sell one billion more stamps.

In other words, the people of this country have got to write 1,000,000,000 more letters than they're writing now, if this plan is going to work. The burden, however, does not fall evenly on the populace. Take away the people who can't write, the babies, the kindergartners, a State Legislator here and there, college freshmen who can't pass a grammar course, the non-writers, the illiterate, the paper-less, the pencil-less, the Senior Citizens who have no money left for stamps when they get through paying their utility bills, and the vast unassorted who have nobody to write to and nothing to say if they did—take away all these and that doesn't leave very many people, who, to make the

Postal Service's advertising campaign pay off, would have to knuckle down to writing letters night and day.  
Your faithfully,  
J.A.

## Rehabilitation Center Offers Equipment to Needy Handicapped

Abilene — Widely known for its treatment services, West Texas Rehabilitation Center is also valued highly by the handicapped for the equipment it provides.

Wheelchairs, walkers, hydraulic lifts and other costly pieces of equipment are loaned each month to persons who cannot afford to buy them.

And the equipment stock at the 4601 Hartford center, always low, is getting old and wearing out.

James McBryde, shop and equipment supervisor, says the Rehab Center has launched a drive to replenish and expand the stock.

"What we're trying to do is serve a much larger portion of the handicapped population than we have in the past," McBryde said.

"Eighty per cent of the people who come here for treatment need some type of equipment. We have times when we have to turn people down for equipment because we just don't have it."

Shelley Smith, executive director of the Rehab Center, said none of the equipment is budgeted and that the program is run entirely with special donations and earmarked gifts.

And with wheelchairs for adults costing \$400 to \$600 apiece, McBryde said, direct donations of equipment are not easy to come by.

The Center's 45 wheel-

chairs stay loaned out constantly, he said.

Its one electric wheelchair — valued at more than \$1,000 — also is loaned to a handicapped person.

Other items on loan are four hydraulic lifts, a number of hand controls for automobiles, numerous crutches, commode chairs, "walker of all types" and standing tables, McBryde said.

Some of the costs involved are \$160 to \$300 for a child's wheelchair; \$300 for a hydraulic lift; \$150 for a set of hand controls; \$30 to \$50 for a walker; and \$40 for a set of child's crutches.

The shop supervisor said he and shop employees C. W. Simmons and Ray Peoples often build equipment at the center "for special cases" and frequently do the exacting task of fitting a handicapped person for a wheelchair.

"We don't ride in a wheelchair," said McBryde, who is in a wheelchair himself from contracting polio as a boy. "We wear a wheelchair."

He emphasized the importance of special equipment to the handicapped.

"You know how important your car is to you," he said. "You hate to take it to the garage and have it fixed 'cause you won't have it for a day or two. Multiply that about 400 times and you'll see how important a wheelchair or some other piece of equipment is to somebody who needs it."

The Center will pick up equipment anywhere in the Big Country, he said.

### Mrs. Chris Pena Attends Three Day Conference

Mrs. Chris Pena, community aide in the Parent School Community Involvement program for Hamlin Independent School District, attended a three-day conference in Corpus Christi on parental involvement, March 3-5.

The parental involvement program is in the third year in the local school.

Mrs. Pena said "The purpose of this program is to coordinate the efforts of parents, home and school. A close relationship is developed between what is learned at home and what is learned at school."

"In doing this," Mrs. Pena said, "Parents get more interested in the educational process of their children."

### NEWS FROM

## OLD GLORY

By BERNICE D. WHITE

Old Glory students and teachers are enjoying the spring break this week.

The District UIL one-act play contest will be held at Rochester Tuesday, March 30, beginning at 1 p.m. The Old Glory play is first in order of presentation, followed by Weinert, Lueders-Avoca, Goree, Rule, (supper break), Paint Creek, Rochester and McCaulley.

The title of the Old Glory play is "Picnic on the Battlefield." Members of the cast are Randall Gibson, Marcene Baldree, Wesley Martin, Pete Castro, Jackie Jones and Berry Alvis. Technicians are Manuel Barrera, Eddie Wolsch and Celinda Vahlenkamp. Mrs. Cecil Klump is the director.

The high school UIL literary meet will be held this year at Hardin-Simmons University in Abilene April 9.

The grade school UIL literary meet will be held at O'Brien April 22.

The Old Glory School is sponsoring the annual PEEWEE Tournament on March 22, 25, 26, with all proceeds going to the school. Patrons in the community are being asked to donate food and help for the concession stands.

The Old Glory 4-H Club had its monthly meeting in the study hall March 10. Announcements were made concerning the 4-H Carnival which is to be held at Aspermont on Saturday, March 20. Ten cakes are to be furnished by some of the Old Glory mothers for the carnival.

There was also a discussion of the 4-H Talent show which is slated for Saturday, March 27, in the Aspermont auditorium. Mrs. Vera Beil has donated a Bicentennial Friendship quilt to be auctioned at the Talent Show.

The Old Glory Variety Club met Tuesday, March 9, in the home of Mrs. Katie Gerloff. Another meeting was called for Tuesday, March 16 for a quilting at the home of Mrs. E. H. Diers. The quilt belongs to Mrs. Carl Druessedow of Stamford.

After the business meeting at Mrs. Gerloff's refreshments were served to 13 members.

The next regular meeting will be in the home of Mrs. Mona Gibson Tuesday, March 23.

Mrs. and Mrs. Louis Spitzer were accompanied by Jo Ann Swofford of Sagerton to Lake Granbury last weekend. They met the Spitzer's daughter and family, the Don Claytons of Fort Worth there. The Claytons have recently acquired a new lake cabin at Lake Granbury.

Mrs. Mike Parker and two daughters, Carylee and Micalynn of Columbia, Mo. were recently visiting with her grandparents, Mr. and Mrs. Herman Letz. They were accompanied by Mrs. Hise of Haskell, Mrs. Parker's other grandmother. Mr. and Mrs. Oren Baldree were called to Fort Worth last

weekend to be with his mother who is ill.

Dr. Thomas Alvis was in Fort Worth last week to attend the Texas State Teacher's Assn. convention as a delegate from Stonewall County.

Mrs. Adeline Letz spent two days in Fort Worth last week visiting in the home of her son and family, the Roger Letzes.

Mr. and Mrs. Tim Jennings and children Leslie and Thad visited with his parents, Mr. and Mrs. T. W. Jennings in Matador, over the weekend. Leslie and Thad stayed with their grandparents for a few days longer visit.

Mr. and Mrs. Derrell Sawyers and son visited in Sweetwater last Saturday with her brother and family, Mr. and Mrs. Butch Duke and daughter.

Jana and Julie Garner of

Abilene spent the weekend here with their grandparents, Mr. and Mrs. Morris Garner.

A. R. Sawyers attended the funeral of a cousin, Joel Kimbrough, in Mineral Wells last week and while there he spent the night with another cousin, Lemuel Snider.

Weekend guests in the home of Mr. and Mrs. Raney were Mr. and Mrs. Jay Humphreys of Lubbock and Mr. and Mrs. Charles Jeffries of Fort Worth.

### Piper Stage Band Wins First At Tech Festival

The Piper Stage Band won its second festival of the year Friday by placing first in the Ninth Annual Tech Festival in Lubbock.

All-Star Band honors were awarded to Elaine Carlton, Debi Cary, Debra Hollis and

Paul Reynolds. Competing in Class 2A were Wylie of Dallas, Floydada, Morton, Reagan County and Hamlin.

The group will compete one more time this year at the Amarillo Festival in April.

**\$188<sup>88</sup>**

ROTO-HOE built America's first front mounted garden tiller back in 1936 and has been building quality ever since! This proven Chain Drive Tiller delivers power to spare to the tines, where it is needed. Double Pulleys give a choice of slow speed for tilling and fast speed for cultivating. Superior design gives better balance for easier handling. When you buy a ROTO-HOE Tiller, you buy with confidence.
